Project Title: CyRIS wall - phase II

Weekly Summary and Accomplishments
We have implemented all of our applications and finished all required documentation. All that is left is practicing for our presentation.

Meeting notes:

4/24/15 – Meeting with Brock Ascher about project upkeep
Attendees: Ian, Maria, Brandon, Alex, Brylee, Aaron (Randy still has work during this time)

We went over information regarding the upkeep and future use of our project with Brock. Also determined what else he would need from us before we leave.

Pending Issues:
None of note.

Plans for next 2 weeks

Give our final presentation.
